

Dear Parent/Guardian,

This letter is to inform you that the Simcoe County District School Board (SCDSB) is undertaking an attendance area review (AAR) for Maple Grove PS and Cundles Heights PS.

Schools in the northeast portion of the City of Barrie have had varying degrees of low enrolment, except for Maple Grove PS, which has seen a small increase in enrolment. The Maple Grove PS school site is unable to accommodate further portables, resulting in the need for an attendance area review to balance enrolment.

Your voice is important as we work on adjusting boundaries at Maple Grove PS and Cundles Heights PS. Due to restrictions related to COVID-19, the SCDSB has developed a [virtual presentation outlining the proposed boundary changes](#).

After reviewing the proposed changes, the SCDSB invites you to [provide feedback regarding the attendance area changes via ThoughtExchange®](#). ThoughtExchange® is an online consultation tool where you will provide feedback by answering one key question. While you're there, you can rank the thoughts and ideas added from other parents/guardians. The online consultation will be open from Dec. 6 to 17.

Details about the proposed changes and links to the ThoughtExchange® are also available on the [attendance area reviews page on the SCDSB website](#).

If you have any questions regarding the ThoughtExchange® or require technical support, please email research@scdsb.on.ca. For clarification on details related to the attendance area review, please email planning_MapleGrove@scdsb.on.ca.

Sincerely,

Charlene Scime and Susan Sidlofsky
Superintendents of Education
