

Tutors in the Classroom (\$1.2M)

With this funding boards are able to hire and train postsecondary students to tutor elementary students. The tutors support the work of classroom teachers by working with students to reinforce skills and concepts. Funding is accessed by board application and will be finalized later in the year.

Next Steps

If you require further information about these initiatives, please contact your regular ministry program contacts or the office of the Assistant Deputy Minister responsible for the program.

The ministry looks forward to working in partnership with school boards in the 2016-17 school year. The collaboration, input and support from boards is a key element in achieving our shared vision goals for education in our province. Your commitments to achieving excellence for all our students and to providing effective leadership are valued. I am confident that, working together, we will build on past success and ensure that our schools continue to be a cornerstone of Ontario's future.

George Zegarac
Deputy Minister
