BY-LAWS

All actions of the Board of Trustees of the Simcoe County District School Board (hereinafter called the “Board”) shall be in accordance with the requirements of the *Education Act* of Ontario, and all other related federal, provincial and municipal legislation.

ARTICLE I: DEFINITIONS

In these bylaws the following words and phrases shall have the meanings set out below:

- (a) “Call of a Meeting”, a written notice of the time and place, which is mailed or distributed to all members of the Board pursuant to the by-laws.
- (b) “Closed Session”, a meeting of a Committee of the Board, including a Committee of the Whole Board, which may be closed to the Public pursuant to the *Education Act*, the *Young Offenders’ Act*, the *Municipal Freedom of Information and Protection of Privacy Act*, other relevant legislation or for an investigation by the Ombudsman.

- (g) “Minutes” are a record of information and actions by the Board and Committees. Committee minutes are primarily intended for giving information and should summarize important work done by the committee. Such minutes may contain recommendations. Minutes provide a brief record of how each motion is disposed of by the Board rather than verbatim recounting of the discussion.

- (l) “Session”, a single or series of connected meetings devoted to a single order of business, program, agenda, or announced purpose; one session may contain more than one meeting.
- (m) “Special Committee”, a committee appointed, as the need arises, to carry out a specified task, at the completion of which, on presentation of its final report to the Board, it automatically ceases to exist; includes committees formerly referenced as ad-hoc and sub- committees.
- (n) “Student Trustees”, although not members of the Board, are elected by students of the Board or by a student representative body in accordance with Section 55 of the *Education Act* Ontario Regulation 7/07 Student Trustees and SCDSB Policy 2130. Their one-year term of office runs from August 1 of the year they are elected to July 31 of the following year.

Committee of the Whole

When an assembly wants to take advantage of the less formal rules of a committee, but still wants to do the work itself, it refers the business or motion it is dealing with to a committee made up of all its members and carries out the discussion immediately by turning itself into a Committee of the Whole. Hence, a motion to move into a *Committee of the Whole* is only a special form of "refer to committee". As with any other committee, a Committee of the Whole must report back to the assembly that created it when it has determined its recommendations on the task it was given. In turn, the assembly, when it has received the recommendations from the Committee of the Whole, decides by motion what actions to take.

28. *Committee of the Whole* is chaired by the Vice-chairperson of the Board, members can make resolutions or amendments in the form of recommendations, move to "rise and report", raise points of order and appeal, but other motions are not permitted. Members may speak more than twice to the same question at the discretion of the Chairperson. When the members have finished the task, a motion is made to "rise and report". The proceedings are not recorded; only their outcome as contained in the report to the assembly is recorded in the minutes.

When used for a closed session, the motions are "to go into Committee of the Whole in closed session" and "to rise and report in open session".

29. *Informal Consideration* does not involve the formation of a committee. The motion is to "consider the question informally", and this only relates to there being no limit on the number of speeches on the main question or its amendments. All votes are formal, and all other rules of order apply. Proceedings are recorded. There is no need to rise and report when the main question has been disposed of, because that action automatically causes the informal consideration to cease.

Committee Minutes and Reports

30. Minutes are a record of information and actions by the Board and committees. Committee minutes are primarily intended for giving information, and should summarize important work done by the committee. Such minutes may contain recommendations. Minutes provide a brief record of how each motion is disposed of by the Board rather than a verbatim recounting of the discussion.
31. Reports provide information in either a written, verbal and/or visual format. Reports, whether from a standing, statutory or special committee, are generally kept as brief as possible and may contain recommendation(s).

Electronic Meetings

32. All Board and committee meetings will be conducted as required in compliance with Ontario Regulation 463/97 Electronic Meetings under the *Education Act* and SCDSB Policy 2140 Electronic Meetings.
33. All regular procedural rules such as notice of meeting, quorum and the requirements to maintain a record and minutes of the meeting shall be adhered to. A lack of notice of the meeting to all members and a lack of quorum shall render action taken at the meeting invalid.
34. The electronic meeting shall permit all members to hear and be heard by all other participants in the meeting simultaneously.
35. Members attending a teleconference meeting shall be deemed to be present at the meeting.

36. Since voice recognition cannot always be ascertained during a telephone meeting the Members always state their name before speaking.
 - At the Chairperson's discretion discussion takes place on a rotating basis
 - Votes are taken by roll call or by general consent
 - Members who are to leave the meeting prior to adjournment shall announce their leaving
37. Meetings where a group of members meet in one room and use a speaker-phone and other individual members of the group call in from other locations are permitted.
38. An attendee at a teleconference meeting may not electronically record a meeting without the permission of the meeting granted by majority vote.
