

On March 31, 2020, the Premier's Office announced an extension to the provincial school closure period in response to COVID-19. The Premier's Office has stated that all publicly funded schools in Ontario will remain closed until May 4, 2020, at which time they will reassess school openings. As a result, all SCDSB schools will be closed and SCDSB locations will not be available to receive delivery of equipment or supplies until further notice.

We request that you hold all pending orders shipping to school locations, maintenance facilities and the SCDSB Education Centre until an official reopening date for schools is announced by the provincial government. Please monitor the SCDSB website for updates on school reopenings.

Please do not redirect any shipments bound for schools to the Education Centre.

If you have any shipments of particular concern, please contact the SCDSB purchasing department by emailing info@scdsb.on.ca.

We apologize for any inconvenience this may cause and appreciate your patience and understanding.

Thank you.
