

Update regarding planning for September

Simcoe County District School Board (SCDSB) staff are in the process of developing plans for the reopening of schools in September. In consultation with the Simcoe Muskoka District Health Unit and the Ministry of Education, the SCDSB is planning for three possible scenarios – a normal school day routine with enhanced public health protocols, a modified school day routine and at home/distance learning.

As soon as we receive direction from the Ministry of Education, we will provide families with information and details regarding the return to school plan. This information will be shared with families directly via email, and will be posted on the [COVID-19 page on our website](#) and on our social media accounts (Twitter: [@SCDSB_Schools](#) and Facebook: www.facebook.com/SCDSB).
